2. Your phone will then list available devices, select your WiFi A/V converter model number to connect.

This should take about 10-20 seconds.

7. <u>Important notes</u>

1. Doesn't require a network:

The WiFi A/V mirror converter uses a WiFi direct connection and doesn't require a network connection from your player or phone to Car Audio.

2. Screen time out setting

If the screen time out setting is enabled on your phone and you phone times out, no image will display on Car Audio Screen until you access your phone screen again. 'Mirror' will continue to display on your player indicating connection status.

8. <u>Cautions</u>

- 1. Do not put this product on the heater or expose in the sunshine.
- 2. Do not impacts, extrusion, dismantle or impale this product.
- 3. Do not put this product into extreme high temperature or humidity enviroment
- 4. Do not throw this product into water, fire or the caustic fluid.
